

Supplemental Appendix

Chen R, Desai NR, Ross JS, Zhang W, Chau KH, Wayda B, Murugiah K, Lu DY, Mittal A, Krumholz HM.

Publication and reporting of clinical trial results: cross sectional analysis across academic medical centers.

Supplemental Figure 1. Distribution of time from study completion to primary publication.

Supplemental Figure 2. Distribution of time from study completion to results reporting.

Supplemental Figure 1. Distribution of time from study completion to primary publication.

This figure excludes trials without a publication ($n=1889$) and trials with a publication date that precedes the primary completion date ($n=261$).

Supplemental Figure 2. Distribution of time from study completion to results reporting.

This figure excludes studies that did not report results ($n=3181$) and trials that had a results reporting date that preceded the primary completion date ($n=2$). This figure does not include any data regarding manuscript publication.
